Professional experience.

Sarova Panafric Hotel.

I had the privilege to do my internship at Sarova Panafric Hotel for a duration of three months. I got to learn more about my area of expertise. I was able to gain skills and experience from the hotel.

I also got the opportunity to work for Sarova as a casual just in the recent past weeks

- I learned to relate more with people

- I increase my skills on how to increase my speed and always be on toes in whatever time and situation.
- Improving my optimistic attitude has been one of the best acquired strength which has helped me both at my workplace and in everything I do.

Central Park Hotel.

I have had the opportunity to work as a casual in central park Hotel for a few weeks. I was able to increase and extend my view on the hospitality industry.

- I got the privilege to be more creative and learned on how to look for loops to increase my creativity
- I learned that hard work can and will take you far.
- I improved my strength on decision making, now I can make decisions fast without beating myself up too much or for long.

Big square

I was privileged to work at Big square, the restaurant being a fast food taught me so much

And i also got to showcase some of my skills and put them to work.

- Proved successfully working within tight deadlines and fast paced atmosphere
- Demonstrated respect, friendliness and willingness to help whenever needed.
- Performed duties in accordance with the duties, policies and regulatory guidelines to provide safe environment.
